A screenshot of the API website search results for 'candy'. The search bar at the top contains 'candy'. Below the search bar, there are navigation links: 'Shop By Category', 'DropShipHub', 'Resources', 'Reports', 'FAQs', and 'Contact Us'. The search results are displayed in a grid. On the left side, there are filters for 'Narrow Your Search' and 'Vendors'. The main results area shows two items: 'Pop Rocks Popping Candy Cotton Candy (24ct)' and 'Bali's Best Coffee Candy 5.3oz Bag (12ct)'. Each item has a small image, a title, item number, manufacturer information, and a price per case. There are also 'Add to Cart' and 'Favorite Lists' buttons for each item. A bag of Nerds Gummy Clusters is overlaid on the right side of the screenshot.
