A clear glass globe is shown, containing several colorful marbles in shades of red, blue, and orange. The name 'Wendell' is written across the front of the globe in a large, black, cursive font. The word 'do' is written in a smaller, black, cursive font on a blue marble. The words 'Public' and 'Public' are written in a black, cursive font on the upper part of the globe, appearing to be on the inside surface. The globe is set against a background of a city street with buildings and trees, which is reflected on the glass surface.
