

10^o

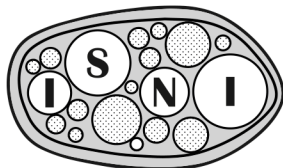

ICCNMI
2023

INTERNATIONAL CONFERENCE AND COURSE ON
NEUROMUSCULAR IMAGING

MAY 18-20, 2023

CAMPINAS | BRAZIL

COURSES AND CONGRESS PROGRAM

ACADEMIA
BRASILEIRA
DE NEUROLOGIA

ORGANIZING COMMITTEE

Ana Lucila Moreira
President

Renato Antônio Sernik
President of Honor

Pedro Henrique M. A. Sampaio
Secretary

Paulo André T. Kimaid
Treasurer

BASIC PRACTICAL COURSE - 2023-05-18

TIME	ACTIVITY	SPEAKER
Moderator: Renato Sernik		
9:00 - 9:30 a.m.	Introducing Ultrasound - what is important to know about physics to understand basic commands	Renann Pirola
9:30 - 10:00 a.m.	Tips for getting the best ultrasound image	Monika Krzesniak-Swinarska
10:00 - 10:30 a.m.	Anatomy landmarks and scanning technique of the median nerve (with demo on stage)	Pedro Henrique Sampaio
10:30 - 10:45 a.m.	Coffee-break	
Moderator: Pedro Sampaio		
10:45 - 11:15 a.m.	Anatomy landmarks and scanning technique of the ulnar nerve (with demo on stage)	Monika Krzesniak-Swinarska
11:15 - 11:45 a.m.	Anatomy landmarks and scanning technique of the radial nerve (with demo on stage)	Simon Podnar
11:45 - 1:00 p.m.	Practical sessions (booth area)	

BASIC PRACTICAL COURSE - 2023-05-18

TIME	ACTIVITY	SPEAKER
1:00 - 2:30 p.m.	Satellite Symposium - SANOFI (next room)	
Moderator: Simon Podnar		
2:30 - 3:00 p.m.	Anatomy landmarks and scanning technique of the sciatic nerve (with demo on stage)	Renato Sernik
3:00 - 3:30 p.m.	Anatomy landmarks and scanning technique of the peroneal nerve (with demo on stage)	Vanessa Baute
3:30 - 4:00 p.m.	Anatomy landmarks and scanning technique of the tibial nerve (with demo on stage)	Daniele Coraci
4:00 - 4:15 p.m.	Coffee-break	
Moderator: Pasquale de Nittis		
4:15 - 4:35 p.m.	Anatomy landmarks and scanning technique of the sural nerve (with demo on stage)	Daniele Coraci
4:45 - 5:15 p.m.	Anatomy landmarks and scanning technique of the femoral nerve and lateral cutaneous nerve of the thigh (with demo on stage)	Simon Podnar
5:30 - 6:30 p.m.	Practical sessions (booth area)	
6:30 - 7:00 p.m.	Neuromuscular ultrasound self-assessment test	

ADVANCED PRACTICAL COURSE - 2023-05-18

TIME	ACTIVITY	SPEAKER
Moderator: Ana Lucila Moreira		
9:00 - 9:30 a.m.	Anatomical landmarks and scanning technique - brachial plexus (with demo on stage)	Vanessa Baute
9:30 - 10:00 a.m.	Anatomical landmarks and scanning technique - small cutaneous nerves (with demo on stage)	Jeffrey Strakowski
10:00 - 10:30 a.m.	Anatomy and scan landmarks for small nerves in the neck - phrenic, dorsal scapular, suprascapular, long thoracic, pectoral nerves - (with demo on stage)	Jeffrey Strakowski
10:30 - 10:45 a.m.	Coffee-break	
Moderator: Jeffrey Strakowski		
10:45 - 11:15 a.m.	Anatomy and scan landmarks for cranial nerves VII, X, XI e XII (with demo on stage)	Nens van Alfen
11:15 - 11:45 a.m.	Landmarks for identification of the neck muscles (with demo on stage)	Pasquale de Nittis
11:45 - 1:00 p.m.	Practical sessions (booth area)	

ADVANCED PRACTICAL COURSE - 2023-05-18

TIME	ACTIVITY	SPEAKER
1:00 - 2:30 p.m.	Satellite Symposium – SANOFI	
Moderator: Nens van Alfen		
2:30 - 3:00 p.m.	Practical aspects of ultrasound-guided invasive procedures	Juerd Wijntjes
3:00 - 3:30 p.m.	Ultrasound landmarks for identification of key appendicular muscles for botulinum toxin injections – upper limbs (with demo on stage)	Pasquale de Nittis
3:30 - 4:00 p.m.	Ultrasound landmarks for identification of key appendicular muscles for botulinum toxin injections – lower limbs (with demo on stage)	Jeffrey Strakowski
4:00 - 4:15 p.m.	Coffee-break	
Moderator: Andrea Boon		
4:15 - 4:45 p.m.	Anatomy and landmarks for scanning of respiratory muscles - diaphragm and accessory muscles (with demo on stage)	Andrea Boon
4:45 - 5:15 p.m.	Landmarks and scanning techniques for facial muscles	Nens van Alfen
5:30 - 6:30 p.m.	Practical sessions (booth area)	
6:30 - 7:00 p.m.	Neuromuscular ultrasound self-assessment test	

CONGRESS PROGRAM - 2023-05-19

TIME	ACTIVITY	SPEAKER
8:00 - 8:10 a.m.	Opening ceremony	Ana Lucila Moreira e Renato Sernik
Moderator: Ana Lucila Moreira		
8:10 - 8:40 a.m.	Neuromuscular ultrasound in the clinical practice	Simon Podnar
8:40 - 9:00 a.m.	Ultrasound as a complement of electroneuromyography: entrapment neuropathies	Pedro Henrique Sampaio
9:00 - 9:20 a.m.	Neuromuscular ultrasound in trauma cases - information needed by the surgeon, and prognosis evaluation	Daniele Coraci
9:20 - 9:40 a.m.	Muscle ultrasound - present state and future opportunities	Juerd Wijntjes
9:40 - 10:00 a.m.	Questions	
10:00 - 10:45 a.m.	Break (with practical session in the booth area)	Ana, Renato, Pedro, Daniele, Andrea, Juerd, Monika and Jeffrey
Moderator: Carlos Otto Heise		
10:45 - 11:30 a.m.	Nerve ultrasound in the diagnosis of polyneuropathies	Monika Krzesniak-Swinarska
11:30 - 12:45 a.m.	Clinical cases with demonstration in patients (focus on nerve ultrasound) <i>Obs.: CIDP, Hansen's disease - with demo, 25min each patient on stage</i>	Carlos Otto Heise (case presentation) and Nens van Alfen (ultrasound demonstration)
12:45 - 1:00 p.m.	Questions	
1:00 - 2:00 p.m.	Satellite Symposium - BIOGEN	
1:00 - 1:30 p.m.	SMA, a diagnosis that cannot be missed	Rodrigo Holanda
1:30 - 2:00 p.m.	The role of neuromuscular ultrasound in SMA diagnosis and follow-up	Ana Lucila Moreira

CONGRESS PROGRAM - 2023-05-19

TIME	ACTIVITY	SPEAKER
Moderator: Renato Sernik		
2:00 - 2:30 p.m.	Muscle anatomic variations that change the interpretation of the diagnosis with ultrasound	Daniele Coraci
2:30 - 3:00 p.m.	Muscle ultrasound – qualitative x quantitative methods, pros and cons	Nens van Alfen
3:00 - 3:30 p.m.	Respiratory muscles ultrasound - technique and clinical utility (with demo on stage)	Andrea Boon
3:30 - 4:15 p.m.	Break (with practical sessions in the booth area)	Daniele, Nens, Ana, Juerd, Simon, Monika, Jeffrey, Vanessa
Coffee-break		
Moderator: Juerd Wijntjes		
4:15 - 4:45 p.m.	Basics on musculoskeletal US – tendinopathies, muscle pathology, basics about joints, findings that need to be reported (cysts, aneurysms, fluid collections)	Pasquale de Nittis
4:45 - 6:00 p.m.	Clinical cases with demonstration in patients (focus on muscle ultrasound)	André Macedo (case presentation) and Juerd Wijntjes (ultrasound demonstration)
6:00 - 7:00 p.m.	Business meeting - International Society of Neuromuscular Imaging	Simon, Ana, Monika, Nens

CONGRESS PROGRAM - 2023-05-20

TIME	ACTIVITY	SPEAKER
Moderator: Pedro Sampaio		
8:00 - 8:20 a.m.	Elastography in practice - utility for diagnosis of nerves and muscles diseases today	Renato Sernik
8:20 - 8:40 a.m.	Using Doppler in neuromuscular ultrasound - difficulties and tips	Pasquale de Nittis
8:40 - 9:00 a.m.	Added value of nerve ultrasound in hand surgery cases	Marcelo Rosa Moderator: Renato Sernik
9:00 - 9:20 a.m.	Does ultrasound define the diagnosis of Leprosy when everything else is negative?	Ana Lucila Moreira
9:20 - 9:40 a.m.	Brachial plexus - what does the surgeon need to know for treatment decision?	Roberto Martins
9:40 - 10:00 a.m.	Brachial plexus ultrasound - landmarks and clinical utility	Jeffrey Strakowski
10:00 - 10:20 a.m.	Questions	
10:20 - 11:00 a.m.	Break (with practical session in the booth area)	Pasquale, Ana Lucila, Jeffrey, Renato, Juerds, Simon, Daniele and Monika
Moderator: Ana Lucila Moreira		
10:45 - 11:15 a.m.	Contribution of ultrasound for diagnosis and monitoring Motor Neuron Disease	Ana Lucila Moreira
11:15 - 11:45 a.m.	Using ultrasound to guide botulinum toxin injections - benefits and main indications	Rafael Yamauti
11:45 - 12:45 p.m.	Advances in Nerve MRI	Afrânio dos Reis Teixeira Neto
12:45 - 1:15 p.m.	Muscle MRI in neuromuscular diseases - clinical cases	Marcondes França Junior
1:15 - 1:45 p.m.	Closing ceremony - where will we meet next year?	Ana Lucila Moreira and Simon Podnar

Address: **Avenida Guilherme Campos, 500** - Bloco II
- Jardim Santa Genebra,
Campinas - SP, 13087-901.

EXPO DOM PEDRO is the largest multipurpose space for events in the interior of the state of São Paulo. There are 12,000 m² of built area, divided between the Convention and Exhibition Center to cater for different types and venues of events. They can host 50 to 10,000 people.

Visit Campinas - São Paulo
Called the Metropolis of the Interior, the city is known for carrying the essence of the countryside with the modernity of large centers, a great differential for those looking for a balance between tranquility and hustle.
