Observations:

Equipment in Good, Fair, or Poor Condition

Good: No concerns found (may still have recommendations)
Fair: Minor issues found that do not impair the "fitness for service" of the equipment, (paint deterioration, general external surface corrosion - no measurable metal loss, not mounted to skid, etc.)
Poor: Equipment had moderate to major concerns found (equipment is damaged, severe external corrosion noted, cracked or broken component, etc.)

Based on API 510 Visual External Inspection this vessel is fit for service

(This piece of equipment meets the Jurisdictional requirements based on the information available at the time of the inspection.)

- Vessel is in good condition.
- Paint is in good condition.
- No access to the PRD due to heights.

Recommendations:

- Confirm the PRD set pressure and service date.

Non-Conformance Conditions and Corrective Actions:

Note: Reference any and all Non-Conformance Report (NCR) numbers and Corrective Action Report (CAR) numbers.

- None

Recommended Inspection Intervals:

Recommended Maximum Inspection Interval:	60	Months	PRD 1 Recommended Service Interval:	60	Months	PRD 2 Recommended Not Applicable Service Interval:	Months
