

**100+ Musicians & Thought Leaders Unite to Plant One Million Trees at
The Shift Music Festival and Visionaries Summit**
An Epic 3-Day Online Gathering of Changemakers Lighting the Way to a Better Future

[Petaluma, CA - August 25, 2021] Be a part of the change September 17-19 at **The Shift Music Festival and Visionaries Summit** by tuning in to a FREE online conference and music festival featuring 100+ speakers and music artists from around the globe. This powerful lineup of changemakers, thought leaders, artists, and creatives are uniting to make a massive global impact... to plant ONE MILLION trees in order to restore ecosystems, reboot economies, and heal our relationship with Mother Earth.

Offering soul-enriching inspiration, deep transformative practices, powerful healing work, ecstatic music celebrations, and real game plans for change, **The Shift Music Festival and Visionaries Summit** welcomes **Xavier Rudd, Dr. Jane Goodall, Bill McKibben, Deva Premal & Miten, Krishna Das, Marianne Williamson, Michael B. Beckwith, Deepak Chopra**, and many others to celebrate the launch of **The Shift Network's** goal to plant 1 million trees.

Here are the details:

- **When:** September 17-19, 2021
- **What:** Free streaming event
- **Where:** Register at ShiftMusicFestival.com
- **Why:** The planet is burning. Planting trees helps offset carbon emissions and gives humanity more time to avert the worst of climate catastrophe.
- **Partner:** 100% of donations raised go to [TreeSisters](https://TreeSisters.com)

The greatest danger to our future is apathy. Every individual matters. Every individual has a role to play. Every individual makes a difference.

— **Dr. Jane Goodall, Keynote Speaker**
