THE ONYX COLLECTION PROMOTES SEBO'S FREE WARRANTY BONUS!

All SEBO vacuum-cleaner models offer standard warranty coverage of seven years on motors and five years on non-wear parts and labor charges. However, the purpose of the Onyx Collection is to promote SEBO's **FREE WARRANTY BONUS** that extends factory warranty coverage to a total of ten-years motor, ten-years non-wear parts, and seven-years labor!

Onyx Collection vacuum cleaners are **sold exclusively in-store** by SEBO's "Authorized Dealers," but never online. The reason for the Collection's in-store exclusivity is to ensure that buyers have on-site dealer assistance with their Bonus Registrations. Using a dealer-supplied code, buyers obtain their extended warranty coverage by completing a simple online registration, located at www.sebo.us. Immediately thereafter, new 10/10/7 Warranty Certificates are sent to buyers via e-mail.

The Onyx Collection also offers **optional attachments** that can make cleaning your home easier. Choose the vacuum model that best suits your flooring needs and enjoy the comfort of knowing that it's covered by an unmatched, hassle-free warranty!

The **WARRANTY BONUS** can be applied to **all SEBO vacuum cleaner models of any color**, not just the Onyx Collection units (power heads sold separately are excluded).

PLEASE NOTE: The **FREE WARRANTY BONUS** **does NOT apply** to SEBO vacuum cleaners purchased from "Third-party Websites," such as [Amazon](http://Amazon.com) and Walmart.com, because they have many **UNAUTHORIZED SELLERS** with false, hidden, or disguised identities, which means they have no access to genuine replacement parts, factory-trained technicians, and labor-cost reimbursements!
