

Clerk's Call to Intermountain Yearly Meeting 2024

Weaving Space for Becoming

June 12 – 16, 2024

Fort Lewis College, Durango, Colorado

Hybrid, online, and in-person sessions

We invite you to our Fiftieth Anniversary Intermountain Yearly Meeting (IMYM) Annual Gathering 2024 at Fort Lewis College in Durango, Colorado, in-person and online (hybrid), Wednesday, June 12 to Sunday, 16, 2024. Our theme is “Weaving Space for Becoming.”

IMYM will be experimenting with ways to build community as we reinvent our yearly meeting and weave our past, present, and future into a space where everyone is fulfilled spiritually. Planning for our annual gathering is still in process. We know that there will be worship, worship sharing, meetings for business as well as intergenerational singing, dancing, and creativity night, and programs for our youth. We may also have traditional interest groups, “Places” for the fiber arts, visual arts, physical movement, and Friendly Circles. All this while keeping in mind that we want a sense of centeredness and calm. We look forward to welcoming a Herberto Sein Visitor from Mexico City Monthly Meeting. Fort Lewis College is a beautiful and truly accessible venue. The Durango area has 300 miles of local trails situated along a winding river between wild mountains and desert canyons. Registration will open in March. Our website is at www.imym.org/.
