

PYM Primary School Epistle 2014

Friends, Agnita, Dawn, Linus, Ezra, Lily, Zachary, Alan, Emily, Rob, Tess and Robin, gathered together making new friendships, telling stories, worship sharing in the river with a concern for snail house building, we learned about George Fox. We played GaGa Ball with the big kids. We read stories, swam, discussed reptiles, life and death and mice and the meaning of it all. Our young Friends defined the light with this beautiful phrase: It gives you warmth and shows you where to go. Fun was had by all.
