

Peace Carol Helen Gould

1. Oh every child's a holy child, every girl, boy Arab or Jew,  
Do you listen for Truth in each one you meet  
Do you seek the Truth in you?  
When Mary bore her little boy She suckled him at her breast,  
And when he slept she gently laid him In fragrant hay to rest.

2. Did Joseph help her bear their child and hold him when he  
was born  
And shelter them within his love safe and fed and warm?  
Poor shepherds came to see the child and marvel at his birth  
And Jesus taught that gentle people shall inherit the earth.

3. To wise men, shepherds, poor and rich he speaks to all  
who will hear  
That we should love our enemies and love shall cast out fear.  
When we see each one's holiness injustice we will abhor  
Then peace will come on earth at last there'll be an end to  
war.

4. Oh every child's a holy child, every girl, boy Arab or Jew,  
Do you listen for Truth in each one you meet  
Do you seek the Truth in you?
