Easter 2017

by Qutbuddin Loren Ruh Smith

Love, Lover, Beloved...  
God's Creation trinity  
Here in Eden's realm..  
You and I are images  
Children of Eden we are...

Humanity is  
Created in images  
Meant to be Ideal  
May semblances ideal  
Return to Humanity...

Eden is calling  
Khiddr's green Soul is again  
Crying..."Come on home  
Live the ideal intended  
Become who you were to be!"

Humankind are meant  
To be God's extension of  
Self realization and  
Eden's residents...living  
Creation in Paradise...  
Science...humankind's

Realization of God's  
Beingness in Love...  
Let's take achievement inside  
God's tools instead of ego's...  
The Crusades were wrong

The corporate state is wrong  
Ego controlled life  
Is wrong, Democracy is  
Humanity's loving Light...  
Let's become Loving

Light... Let's become who we were  
Meant to be...You...Me  
Humanity,... God's Creation  
Love, Lovers and The Beloved  
One Being
